PROFESSIONAL SUMMARY

Web Developer with over 2 years of experience. Throughout my career, I've utilized technologies such as **HTML**, **CSS**, **JavaScript**, **ReactJS**, **NodeJS**, **Express**, **MongoDB**, **PostgreSQL**, and **WordPress**. As a professional, I constantly seek improvement, continuously learning new things to enhance my skills. In addition I'm passionate about **DevOps** and **Cloud** technologies.

My greatest quality? **My adaptability**. I can seamlessly adjust to changing situations, making me a highly dynamic individual.

LANGUAGES: ENGLISH, BASIC FRENCH AND SPANISH

PROFESSIONAL EXPERIENCE

Full-stack Web Developer

Jul 2023 - Apr 2024 - Keepcoding, Madrid, España
